

Re-mortgage of a Freehold Residential Property

This guide will provide an indication of our fees for acting in the re-mortgage of a freehold residential property, but we do recommend that you telephone us on 01229 828814 to discuss your particular circumstances and obtain a free, no obligation, quote. The more information we have at the outset, the more accurate the quote will be.

Our fees cover all of the work required to complete the re-mortgage of your property, including redeeming one mortgage and dealing with registration at the Land Registry. Our basic fixed-fee costs assume that the property is a registered freehold property in a town, with a single mortgage being replaced by another single mortgage. Please note that if there are unusual or complex issues related to your re-mortgage, further charges may apply.

Examples of factors that could typically increase our fees:

- if there are building regulations or planning irregularities
- if the property is a non-standard dwelling, including flats and maisonettes
- if it is a non-standard mortgage
- if there are unusual mortgage conditions, e.g. guarantee or discharge of debts
- if crucial information or documents that we request from you are not provided
- if there is a management company involved

General Information

How long will my re-mortgage take?

The average process takes between 4-6 weeks, however, some re-mortgages can take several months, or longer, to complete, so you should not make plans based on this timescale. The process can be quicker or slower, depending on any points that need clarifying or resolving.

Please note conveyancing transactions are routinely taking longer than usual to complete at the moment because of the impact of COVID19 restrictions on local authorities, mortgage providers, and others.

Stages of the process

The precise stages involved in the re-mortgage of a residential property vary according to the circumstances. Most transactions include the following, though not necessarily in this strict order, and often several things will be in progress at the same time:

Take your instructions and give you initial advice

Review mortgage offer and advise you

Carry out searches/arrange search indemnity

Obtain any additional information or documents that may be required by the mortgage provider

Agree re-mortgage date

Arrange for all monies needed to be received from lender

Complete the re-mortgage, including repaying the old mortgage

Deal with application for registration at Land Registry

Pay out any excess mortgage monies to you
