

Re-mortgage of a residential property

This guide will provide an indication of our fees for acting in the re-mortgage of a freehold residential property, but we do recommend that you telephone us on 01229 828814 to discuss your particular circumstances and obtain a free, no obligation quote.

Conveyancing fees are broken down into two parts:

- a) the fee charge by the firm for undertaking the required work (known as '**costs**'); and
- b) the additional sums incurred in the conveyancing process (known as '**disbursements**')

Our basic fixed-fee costs assume that the property is a registered freehold property in an urban location with a single mortgage being replaced by another single mortgage. Please note that if there are unusual or complex issues related to your re-mortgage, further charges may apply.

Examples of factors that could typically increase our fees:

- if there are building regulations or planning irregularities
- if the property is a non-standard dwelling, including flats and maisonettes
- if it is a non-standard mortgage
- if there are unusual mortgage conditions, e.g. guarantee or discharge of debts
- if crucial information or documents that we request from you are not provided
- if there is a management company involved

Costs

The costs for our service are primarily based on the value of the property you are remortgaging and are set out in the following table:

Value	Our Basic Fixed Fee Costs
Up to £300,000	£685 + VAT
£300,001 - £500,000	£790 + VAT
Over £500,000	£999 + VAT

We charge £100 + Vat for any additional mortgage or loan which needs redeeming.

If title is unregistered, there will be an additional fee of £275 + Vat to the basic fee.

If title is leasehold, there will be an additional fee of £425 + Vat to the basic fee.

Disbursements

In addition to our costs, you will need to pay some disbursements. These are fees related to your matter that are payable to third parties, such as Land Registration and search fees.

- a) **Local Search insurance** (provided lender does not require a full search)

Typically £20 - £40

- b) **HM Land Registry Registration fee**

The majority of registrations will be submitted online at the lower online fee, but there are some circumstances where the application **must** be postal, or is charged at a higher rate.
